

Rules for usage of the BBQ

- #1:Appropriate Clothing
 - The BBQ area is not the same as the pool area!!!!
 - Bare chest are forbidden !
 - (for hygiene & respect reasons !)
- #2:All potatoes are to be pre-cooked before usage of the BBQ
 - (this is to minimize the usage of BBQ and gas.)
- #3: After usage,always clean the grills with the help of the metal brush.Also please to make sure after usage always close the gas tank valve.
- #4:Clean all surfaces,connections relating to the cooking area (chrome,shelves,etc)
- #5:Always replace the lock on the BBQ and tanks after usage.As soon as the BBQ has cooled down,place the cover back on. When leaving the BBQ area always close all the lights.
- #6: All blue chairs that are the eating area are not to be used in the pool area because of the risk of damage from the pool chemicals.
- #7 :Please keep our eating area and BBQ as clean as possible.
- #8:Return the empty tank to Eric and sign the document.
- Thank you all for you co-operation.
